WALK-THROUGHS AND WARM-UPS

Handlers in all classes will be permitted to walk the course without a dog prior to the start of a class. At the judge's discretion, if the size of the entry for any class might inhibit a safe and fair walk-through by handlers, height divisions may be used to divide the walk-through into groups, e.g. walk-through for the 8", 12", and 16" division handlers followed by runs for those height divisions; then walk-through and subsequent runs for the 20" and 24" divisions. A warm-up area, consisting of a regulation agility jump, will be provided.

AGILITY

DOGS ELIGIBLE TO ENTER This Trial is open to all Belgian Sheepdogs over the age of 12 months that are registered with the American Kennel Club and/or have an AKC ILP number, except bitches in season, aggressive dogs, blind or deaf dogs, or dogs suffering from any deformity, injury or illness which may affect the dog's physical or mental performance.

HEIGHT DIVISIONS

The following jump height division shall be used in all trial classes:

- 8 inches for dogs 10 inches and under at the withers Preferred 4"
- 12 inches for dogs 14 inches and under at the withers Preferred 8"
- 16 inches for dogs 18 inches and under at the withers Preferred 12"
- 20 inches for dogs 22 inches and under at the withers Preferred 16"
- 24 inches for dogs over 22 inches at the withers Preferred 20"

NEW!! PREFERRED CLASS INFORMATION

The Preferred Class is a new titling program offered by AKC starting September 1, 2002. This class offers a longer Standard Course Time and lowered jump heights. Preferred Classes will be held immediately before or immediately after the Regular Classes, on the same courses. All dogs entering the Preferred Classes for the first time must enter the Novice level in both the Preferred Standard Agility Class and the Preferred Jumpers with Weaves Class regardless of their previous title level in the Regular Classes. (Standard and JWW). There is no "grandfathering" of titles from the Regular Classes to the Preferred Classes or from the Preferred Classes to the Regular Classes. These classes are separate titling programs and in both cases the dogs must start at the Novice level. Dogs may be entered in only one (1) Standard Agility class and one (1) Jumpers With Weaves Class per day, i.e. they cannot simultaneously compete in both Regular and Preferred for the same class. A dog may continue to compete at each level until they achieve a qualifying score at the next higher level. The Preferred Standard Agility Class and the Preferred JWW Class are separate titling programs and a dog may advance faster in one than the other (A dog that has achieved its NJP is eligible for and may enter the Open Jumpers With Weaves Preferred Class. The same dog must also achieve three (3) qualifying scores in the Standard Novice Agility Preferred Class before being eligible to move-up to the Standard Open Agility Preferred Class). In order to acquire a Preferred Agility title, a dog must earn the required qualifying scores per Preferred Class level under at least two (2) different judges

OBSTACLES

Obstacles shall meet the specifications for obstacles in the current edition of AKC Regulations for Agility Trials. There will be NO Equipment Familiarization

MOVE-UPS

Move-ups after entries close must be submitted to the Trial Secretary in writing (email) by April 16, 2004
