BEST OF BREED COMPETITION

The following categories of dogs may be entered and shown in Best of Breed Competition: dogs that are Champions of Record and dogs that according to their owners' records have completed the requirements for a Championship but whose Championships are unconfirmed. The showing of dogs whose Championships are unconfirmed is limited to a period of 90 days from the date of the show where a dog completed the requirements for a Championship according to the owners' records.

Select Dog and Select Bitch are chosen immediately following Best of Breed, BOW, BOS.

NSCA AWARDS OF MERIT – Awards of Merit may be given to dogs or bitches that are eligible for the Best of Breed Competition, except those Shiba Inu which have been awarded Best of Breed, Best of Opposite Sex to Best of Breed, Winners Dog or Winners Bitch, Select Dog or Select Bitch. The Award of Merit indicates the judge's recognition of an animal that would, on any other day, merit a top award. The judge at his/her discretion, may award all, none, or any number of the authorized Awards of Merit, in no particular order. The number of awards given will be no more than 10% of the number of dogs entered in the Best of Breed Competition. The number entered shall be considered exclusive of absentees and valid transfers from other classes prior to the start of the show. A Rosette, and a custom grooming apron, will be awarded each Award of Merit Winner

Non-Regular Classes (Involving multiple dog entries)

STUD DOG CLASS: For Stud Dogs and two of their Get. Stud Dogs must be entered in the Stud Dog Class and must be shown in the ring with their Get. The owner of the Stud Dog need not necessarily be owner of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard for its breed. Get must be entered in a regular class, Best of Breed competition, or some other non-regular class.

BROOD BITCH CLASS: For Brood Bitches and two of their Produce. Brood Bitches must be entered in the Brood Bitch Class and must be shown in the ring with their Produce. The owner of the Brood Bitch need not necessarily be owner of the Produce. While the merits of the Brood Bitch are not to be considered in the placement of the entry, the Brood Bitch must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard for its breed. Produce must be entered in a regular class, Best of Breed competition, or some other non-regular class.

BRACE CLASS: Two dogs that are similar in appearance, performing in unison, and presented by a maximum of two handlers. Both dogs competing in brace competition must have at least one common owner. The Dogs comprising a Brace MUST be named at the time of entry. In making entries for "Brace Class Only" full particulars MUST be given for each dog on individual entry forms. An

entry form for a dog entered in a Regular Class or for "Best of Breed Competition" and entered as part of a Brace MUST be marked accordingly in the space provided for Additional Classes, "Brace Class." If more than one Brace is entered by same owner, dogs comprising EACH BRACE must be designated "Brace No. 1," "Brace No. 2," etc.

NOTE: As the judge's decision in the Stud Dog, Brood Bitch or Brace Classes is based on the merits of more than one dog/bitch, no one of the dogs/bitches making up the entry judged first in these classes will be eligible to compete for Best of Breed by virtue of having won this class.
