The entry and showing of dogs whose championships are unconfirmed is limited to a period of 90 days from the date of the show where a dog completed the requirements for a championship according to the owners' records. If at the end of the 90 day period the championship of a dog has not been confirmed by the American Kennel Club, no further entries of the dog for Best of Breed competition are to be made until its championship has been confirmed by AKC."

BEST PUPPY FROM THE REGULAR PUPPY CLASSES

Non-Regular Classes (Involving multiple dog entries)

Note: As the judge's decision in these classes will be based on the merits of more than one dog, no one of the dogs making up the entry judged first in the class will be eligible to compete for Best of Breed by virtue of having won the class. Ch. 11, Sec. 8 of the "Rules Applying to Dog Shows" provides that "a castrated male may be entered as a Stud Dog in the Stud Dog Class and a spayed bitch may be entered as a Brood Bitch in the Brood Bitch Class."

Stud Dog Class: For Stud Dogs and at least two and no more than four of their Get. Stud Dog must be entered in the Stud Dog Class and must be shown in the ring with their get. The owner of the stud dog need not necessarily be owner of the get. While the merits of the stud dog are not to be considered in the placement of the entry, the stud dog must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard of the breed. Get must be entered in a regular class, Best of Breed Competition, or some other Non-Regular class.

Brood Bitch Class: For Brood Bitches and at least two and no more than four of their Produce. Brood Bitch must be entered in the Brood Bitch Class and must be shown in the ring with their Produce. The owner of the brood bitch need not necessarily be owner of the produce. While the merits of the brood bitch are not to be considered in the placement of the entry, the brood bitch must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard of the breed. Produce must be entered in a regular class, Best of Breed Competition, or some other Non-Regular class.

Brace Class: Two dogs, performing in unison, and presented by a maximum of two handlers. Both dogs competing in the brace class must have at least one common owner. Dogs do not need to be entered in any other class. Dogs comprising a Brace Class must be named at the time of entry, and full particulars must be given for each dog on individual entry forms. If a dog which is to be part of a Brace is not entered in another class, it must be entered for "Brace Class only." An entry form for a dog entered in another class and entered as part of a Brace must be marked accordingly in the space provided for additional classes as "Brace Class."
