Division 2...CS-Team Division 4...CI-Team Division 6...CX-Team

TITLES

A dog receiving a qualifying score at any level shall be deemed to have earned the title for that level. You can enter at any level. A CS dog must go to the CI or CX after obtaining a CS title. A CI Dog can stay competing at the CI level or go to the CX level. The CX dog can continue to compete after obtaining a CX title at the CX level.

Titles are as follows:

CS Carting Started (on lead)

CI Carting Intermediate (off lead)

CX Carting Excellent (driving)

For all levels, the course remains the same with the exception that CS and CI competitors will load the 40 pound weight after the harnessing and unload the same weight prior to the down/stay. The CX dog will have handler sit and ride in the cart after the harnessing and will exit the cart prior to the down/stay. All three levels will be divided into divisions as stated above.

Rosettes will be awarded for first through fourth place in all six divisions. A "High In Test" Rosette will be awarded to the highest score obtained for the day (considered all qualifying scores from the six divisions). Single dogs will not compete for placements against team entries with the exception of the "High In Test" award.

DESCRIPTION OF A CARTING TEST

The competition will be open to on-lead, off-lead, and driving (handler seated) carting dogs. The entry can be a single dog or team (two dogs). The courses will be the same, but the entries will compete within their own division (single on-lead, team on-lead, single off-lead, team off-lead, etc.). Any type of wagon or cart is acceptable, as long as the dog(s) can handle the size and weight of the cart comfortably and easily over the course and negotiate all elements. The handler assumes all responsibility to ensure that his/her individual cart can negotiate the course. The course will not be modified to accommodate larger carts. A two wheeled vehicle is preferred due to its maneuverability. Talking to the dog and verbal praise are allowed during the exercises. Physical praise such as petting or pats may be given between exercises and are limited to touching with the hands only. No other part of the handler's body should touch the dog. All entries except driving will have their carts weighted with an additional 40 pounds. The 40 pound weight will be provided by the Course Director. Emphasis is on precision, not speed.

Failure to negotiate any one element on the course will result in a non-qualifying score despite an over-all score of 170 or above.

A carting dog should move the cart with pride and eagerness yet listen to direction from the handler. The purpose of this competition is to give handlers and their carting dogs a chance to exhibit these wonderful skills and abilities.

HANDLER RESPONSIBILITIES

The handler/competitor is responsible for providing certain types of equipment. The handler will make sure the harness and cart fits the dog properly. The hook-up should not allow the cart to run up and bump the dog during the course exercises. The weight should be placed, balanced, and tied in place by the handler. Assistance may be given to those handlers who cannot load or unload the 40 pound weight. The handler accepts full responsibility of ensuring any load placed on the cart can be easily managed by the dog(s) and that the dog does not appear to be under duress attempting to move the cart. The handler will make sure the weight is properly balanced. Any dog that appears to be negatively impacted with the cart weight can be excused by the judge at any point in the course. Equipment provided by handlers is as follows:

1. Two wheeled (preferred) or four wheel cart
2. Shafts must be a part of the cart apparatus
3. Harness (usually siwash or breast plate style)
4. Choke chain or buckle collar (no pinch or prong or electric collars will be allowed on the grounds)
5. Head Halter use restricted to driving and then only if fitted with reins
6. Minimum of four foot lead is at CS level
7. Reins if as CX level
8. Ties to secure 40 pound weight at CS or CI level

NOTE: No crops or whips shall be allowed at any time.

This is an American Rottweiler Club Sanctioned Carting Test. The test, legs or titles earned are recognized by the AKC. For more information visit:
