Non-Regular Classes (Involving Multiple Dog Entries)

Note: As the judge's decision in these classes will be based on the merits of more than one dog, no one of the dogs making up the entry judged first in the class will be eligible to compete for Best of Breed by virtue of having won the class. Ch. 11, Sec. 8 of the "Rules Applying to Dog Shows" provides that "a castrated male may be entered as a Stud Dog in the Stud Dog Class and a spayed bitch may be entered as a Brood Bitch in the Brood Bitch Class."

The owner of the stud dog need not necessarily be owner of the get. While the merits of the stud dog are not to be considered in the placement of the entry, the stud dog must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard of the breed. Get must be entered in a regular class, Best of Breed Competition, or some other Non-Regular class.

Brood Bitch Class: For Brood Bitches and no less than two nor more than four of their Produce. Brood Bitch must be entered in the Brood Bitch Class and must be shown in the ring with their Produce. The owner of the brood bitch need not necessarily be owner of the produce. While the merits of the brood bitch are not to be considered in the placement of the entry, the brood bitch must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard of the breed. Produce must be entered in a regular class, Best of Breed Competition, or some other Non-Regular class.

Brace Class: For two dogs that are similar in appearance, performing in unison, and presented by a maximum of two handlers. Both dogs competing in brace competition must have at least one common owner.
